

9th International Workshop on Laser-Induced Incandescence (LII)

This meeting brings together scientists from particle, combustion and atmospheric sciences to exchange and discuss recent trends and applications of Laser-Induced Incandescence and complementary techniques for particle diagnostics.

Topics

- Characterisation of soot, (engineered) nanoparticles and aerosols
- Laser-Induced Incandescence and complementary optical and non-optical techniques

History

The biennial workshop follows the tradition of previous events:

- 2005 – Duisburg, Germany
- 2006 – Bad Herrenalb, Germany
- 2008 – Ottawa, Canada
- 2010 – Varenna, Italy
- 2012 – Le Touquet, France
- 2014 – Ven, Sweden
- 2016 – Lake Tahoe, USA
- 2018 – Tutzing, Germany

Accommodation

Reasonably priced accommodation is available at the Premier Inn on George Street, <200 metres from workshop venue. Bookings can be made via: <https://www.premierinn.com/> Premier Inn Glasgow City Centre (George Square), 187 George Street, Glasgow, G1 1YU

Abstract Submission

Submit abstracts by email as soon as possible to iain.burns@strath.ac.uk Use the Template circulated. Indicate Oral / Poster presentation.

Abstract Submission Deadline

April 25th, 2022

Notification of Acceptance for Oral or Poster Presentation

May 4th, 2022

Early Registration Deadline

April 25th 2022
(Standard: £275; Students: £200)

Late Registration Deadline

May 15th, 2022
(Standard: £325; Students: £250)

Online registration is open through [Strathclyde Online Shop](#)

Local Organiser

Iain Burns (University of Strathclyde)
